1. The speaker here is a petitioner or appellant?

Does not Require Clarification.

The Note provided on Page 4 is merely a guideline to help ease any confusion for the Mootees in terms of advancing their arguments and presenting their case and this does not help assign the roles of the respective litigants before the Hon'ble. Supreme Court.

2. Regarding facts, is it a fact that the MLAs have caused disruptions or the speaker alleges so?

Does not require Clarification.

The Mootees are free to interpret the language of the moot problem without altering the facts.

3. In the 4th and 5th lines of the 4th paragraph, "the report was prepared and submitted to the CM and the Governor on 15.08.2017." Whereas in the opening sentence of the 6th paragraph, it is asserted that on 09.08.2017, the Governor had allegedly instructed the State Police to take necessary actions 'based on the report submitted'. These statements are contradictory in nature. Kindly clarify The 4th and 5th lines of the 4th paragraph, "the report was prepared and submitted to the CM and the Governor on 15.08.2017." should read as "the report was prepared and submitted to the CM and the Governor on **05.08.2017.**"

4. The writ petition mentioned in point 3 (note) of page 4 refers to which writ in fact?

3rd Point in the Note is not required for this Moot Problem.
